

CONSIDER THESE QUESTIONS TO ASK YOUR PROVIDER ABOUT YOUR THERAPY:

How well does this drug work?

How does it work?

What are the side effects?

How do I take it?

How soon will it start working?

How will I know if it's working?

Will my insurance cover the cost?

Is there a patient savings program for this medication?

What if I miss a dose?

How will it make me feel?

What are the short-and-long-term benefits?
